ILLINOIS EMERGENCY MANAGEMENT AGENCY
AND OFFICE OF HOMELAND SECURITY

JB Pritzker
Governor

Theodore (Ted) Berger
Director

Exercise Exercise Exercise

There is an emergency event at the LaSalle nuclear power station. If you live within 10 miles of the nuclear power station and own milk producing animals and/or livestock, the state is advising to place them on stored feed and water at this time, if possible.

Monitor local media for emergency instructions from state or local officials. If officials recommend the public take a protective action, discontinue caring for the animals, and immediately follow the emergency instructions.
